OSTA MEMBERSHIP APPLICATION

OSTA has been educating, empowering, and advocating for park and marina tenants for over 40 years. The Oregon State Tenants Association was established in 1977, to influence Oregon Landlord/Tenant Statutes. In 2010, OSTA became a non-profit organization. We've worked hard to advocate for your rights and have been involved in the successful passing of nearly every Chapter 90 law that protects park and marina tenants. In 2019, we helped floating homes come under the purview of Oregon state programs and services. In 2025, we battled strong opposition to lowering the annual rent increase cap. However, thanks to our members, we prevailed with the passage of new rent increase limits.

Today, park and marina tenants are stronger than ever, having fought for and won many of the rights we enjoy now, including:

- Forming a residents' organization
- Objecting to proposed rule changes
- Receiving written notices of any rent increase, rule violation, and entry onto your space
- Expecting the park or marina to be a safe and healthy environment

As an OSTA Member, we pledge to continue the fight, to exercise the rights we have, to stay current on issues that affect our parks and marinas, and to stand side-by-side as neighbors.

MEMBERSHIP APPLICATION

PARK/MARINA NAME: _____ DATE: _____

FIRST NAME: _____ LAST NAME: _____

PHONE: _____ EMAIL: _____

NAME OF ADDITIONAL HOUSEHOLD MEMBER #2: _____

PHONE: _____ EMAIL: _____

STREET ADDRESS: _____

CITY: _____ COUNTY: _____ ZIP CODE: _____

By checking this box, I give permission to OSTA to email me important announcements about tenant rights, park & marina issues, and my membership status.

Please return the Membership Application and \$30 annual membership dues to:

VIA US MAIL: OSTA, 105 W BOLZ RD. #1587
PHOENIX, OR 97535
